

UKCC Level 2
Coaching Certificate
in Shinty

Candidate Manual

Forward

Congratulations on taking the next step in developing your coaching career. This course will help you build and develop the skills and knowledge gained at Level 1, or through approved prior learning, to become someone who can make a real difference at Level 2.

The UKCC Level 2 Coaching Certificate in Shinty is designed to provide coaches with the skills and knowledge to deliver quality shinty sessions at senior and U-17 levels. The course will build on the information produced for the Level 1 qualification and will be beneficial to lead coaches responsible for the development and performance of Senior and U-17 squads.

Coaching is at the heart of Shinty from grass-roots participation to elite performance. Coaches are the backbone of the sport. As a coach, you can make a significant difference to players, irrespective of whether they are children or adults, novices or experienced. As part of your role at this level you will be expected to work with other coaches and become an inspiration to the next generation of coaches as well as players.

The Camanachd Association aims to develop coaches who know "How to coach" as well as "What to coach". A key theme through this award is enjoyment in a learning environment, allied to the recognition that this can be achieved through a well-planned coaching programme which reflects the diverse physical, social and emotional needs of the participants.

The course and resources are developed in relation to the United Kingdom Coaching Certificate and the principles of Coaching Scotland.

A handwritten signature in black ink, appearing to read 'Graham Cormack'.
